

## **JUNIOR PASSPORT SCHEME 2022/23 - APPLICATION FORM** **(For 5 to 11 year old's.)**

A unique scheme now in its seventh season launched by Folkestone Invicta and Folkestone & Hythe District Council to attract younger supporters into the club has received an excellent response from the public.

The Early Bird passport cost is £5.00 which means it will be a saving of £58 on the season and will be available to anyone aged between 5 and 11 years old and will allow the holder admission to all home Isthmian League Premier Division games this season. The cost after the Early Bird Passport (1<sup>st</sup> July) is £10 which still saves you £53.

**Please send your money and completed form by post to the club.**
